Sanctioning the remission of a moiety of wet assessment (with local cess) amounting in all to Rs 576·00 on rice lands in the villages of Donatur & Bendrawadi belonging to the Chamaraj Iswaraswami Temple, Chamarajnagar

Mysore Govt. C. Press, Bangalore—

With reference to your draft regarding remission of half assessment on rice lands under tanks in the villages of Oommatter and Benderwadi belonging to the Chamarajeswara Swami Temple the Offg Dewan wishes to have information on the following points:-

(1) Whether the villages pay any Jodi (or quit rent) to the Govt & if so what.

(2) When & why did the villages

under Govt.

(3) Is the temple under the management of trustees.

(4) Can the temple afford to keep the revenues.

With regards

Yours very obediently

№ II. The temple to which these

villages are attached, was founded by

H. the late Maharaja in honor of

his ancestors and in consequence it

is richly endowed. These Inam Villages,

I am informed, used to be originally

but subsequently the

it was transferred to the Taluk Amil

himself. This

No. IV. The temple has ample resources. The Inam villages yield more than Rs 18000- annually. The Comattur tank is being repaired by the D.P.W. with the funds supplied by the Temple amounting to 18000 Rs. I am ~~really~~ thinking how the large income derived from the villages annu-ally, can be best utilised in the interest of the public. Now it is being wasted upon a lot of idlers and pageantry. The remission recommended by the

Manager for the Temple Villages on behalf

f the temple, may, in the same spirit

lend to them the indulgence sanctioned

n Government villages.
